

Happy Hour For A Cause

Iron Range Eatery and Cuyuna Brewery Company have partnered to provide "Happy Hour For A Cause" on 4th Thursdays of the month from 5 to 7 pm. This event has raised tens of thousands of non profit dollars at Prairie Bay Grill in Brainerd over the last 13 years, and now we are excited to bring this to the Crosby community as well. You promote your event and provide the people to collect the money and we provide delicious food, space and beer tasting. Each person pays \$15 to attend and 100% of the dollars brought in will go to your non profit.
